Brake Caliper Surcharge Rejection Criteria

Surcharge Rejection Criteria

Shaftec brake calipers carry a surcharge which will be credited against the return of a suitable exchange brake caliper.

The Caliper should be returned in the same box it was supplied in.

Credit will not be given on an exchange brake caliper if for any reason it is unsuitable for Shaftec remanufacturing.

1. Broken Bleed Screw/Inlet Port damage

2. Damaged, cracked or broken castings

3. Excessive disc wear to casting

4. Excessive corrosion to casting

5. Missing components i.e. No levers, springs, pistons or internal hardware
